SANDCASTLES

SCARBOROUGH

Sandcastles, Middle Deepdale is less than 3 miles from Scarborough centre and has all the ingredients for a great place to live. Located on the coastline of the North Yorkshire Moors, it's allure owes much to being a historic British beach resort with a Victorian charm that, to this day, remains central to this busy coastal town's character.

Sandcastles is just a short journey from the sea front, shaped by high cliffs which are home to coastline paths that lead to the remains of Scarborough Castle. Viewing points from the medieval keep at the hilltop provides uninterrupted views of the two sandy bays below; the North Bay which offers classic British seaside activities, Peasholme Park, and the Amphitheatre while the South Bay which appears calmer and more nostalgic, hosting the Victorian Spa and providing views of the working harbour.

As well as the beach and abundance of beautiful shoreline scenery running north and south of the seafront, Scarborough is a bustling town, filled with retail options to suit all tastes and budgets.

The town centre shopping meets all the traditional high street needs while also allowing for retail, art and crafts exploration among the hidden streets that spread out and away into the old town.

**'It's all about you –
Your Choice, Your Control, Your Home'**

With a variety of leisure activities and attractions to cater for all ages; restaurants, cinemas, theatres, leisure village and even a casino, Scarborough offers something for everyone, from keeping fit to having a flutter!

Sandcastles, Middle Deepdale is ideally positioned within easy reach of Cayton Village, Cayton Bay Beach, Seamer, Filey, and Scarborough town centre, with easy connectivity to the nearby cities of York and Leeds and in the opposite direction, the medieval town of Whitby.

This immensely desirable location is within a new, growing community that offers an outdoor lifestyle when you wish; a walk down the dell which takes you via the nature reserve into the town or a round of golf at the local golf club.

But the choice is yours with the offer of traditional comforts of a local village life when you want to keep it simple, while still just a stone throw from a beach-side ice cream treat and seaside attractions.

So, whether you are looking to take a calmer approach to life or want to maintain your life in the hustle and bustle, at Sandcastles you can select the lifestyle you want, creating the perfect, lifelong Later Living home, designed by us, selected by you, within a community where you can live your life well and to the full.

HOW TO PURCHASE

Buying a new Later Living by Lovell home couldn't be easier. Follow our step-by-step purchasing guide and you'll be home in no time!

Choose and reserve

Once you've chosen your new Later Living by Lovell home, you can reserve it by paying a reservation fee which will go towards the purchase price. If you have a property to sell, we let you secure your dream home before your old one's sold on our Helping Hands service, where we will help you to manage the sale of your existing home. The reservation fee will ensure the property is reserved in your name and the price is held for an agreed period while the legal processes are completed.

Keeping things moving

Once you've reserved your new home and have secured a sale on your current home, there are two things to do:

- Inform your solicitor and give our Customer Experience manager their contact details so we can forward the contract documents.
- If you need a mortgage, act now. You may obtain one yourself or we can put you in touch with an independent financial advisor to help you.

Our Customer Experience manager will make an appointment for you to come in to adapt and personalise your new home from our **SELECT** range (subject to build stage).

Exchanging contracts

Once you have confirmation from your solicitor that they are satisfied with their enquiries and you have received a letter from your lender providing you with a formal mortgage offer, if required, it will then be time to exchange contracts. To do so you will need to:

- Sign the documents to make a binding agreement to purchase.
- Pay the deposit which is sent to the Later Living by Lovell legal team along with the signed contract.

We want to make your move as stress free as possible and so we will support you to ensure that your solicitor ties any related sale property into the purchase of your new home and our Customer Experience manager and sales team will be on hand to answer your questions and to offer support and guidance throughout.

You're nearly there

When your new home is ready we will:

- Invite you to a familiarisation visit so that we can demonstrate your new home to you.
- Notify your solicitor, who will request the mortgage funds (if applicable) from you lender, and you will be asked to pay the remaining balance of the asking price.
- All monies are then forwarded to our solicitors, who will complete the deed to transfer the property into your name.

Remember that your Customer Experience manager and on-site sales team will work closely with you all the way.

Your mortgage repayments usually start one month after completion (if applicable).

Moving in

Upon financial completion you will be ready to move in, and so we will:

- Invite you to meet with our Customer Experience manager who will be delighted to hand you the keys to your new home.
- Ask you to sign the handover certificate and key receipt form.
- Confirm that we completed a full meter reading on the day of your legal completion.

The fine tuning...

We pride ourselves on making sure your new home is as individual as it can be. That's why the direction it faces, its exterior details and construction materials may differ from what you see in the brochure.

Please use our brochure as a style guide – and for detailed information on individual plots, ask our Customer Experience manager, who will be pleased to help you with accurate information relating to your preferred choice.

The dimensions in the brochure are within 50mm (2") but shouldn't be used as an accurate basis for furnishings, furniture or appliance spaces.

You will need the actual measurements of your chosen new home. We're always trying to improve our new homes, and you may find that individual features such as kitchen and bathroom layouts, doors and windows may vary, due to supply and design changes.

Specification details are for guide purposes only and are subject to change without prior notice. However, should a replacement be required, this will be to an equal or higher standard, and you will be kept informed at all times if this affects your chosen home.

Consequently, these particulars represent a general guide only and cannot be relied upon as accurately describing and of the Specified Matters prescribed by any order made under Consumer Protection from Unfair Trading Regulations 2008 (CPRs).
