LIFE AT BOWLERS GREEN

A coastal village in an area where it's said that the sun in England rises first, Hopton-on-Sea is the quintessential location for those who like to be beside the sea.

With a wide beach stretching along the coast towards Suffolk, it's the perfect place to enjoy a gentle stroll with the sand between your toes. The beach is dog-friendly too, so ideal for those with canine companions. Step back from the beach and you'll discover many walks, allowing you to admire the miles of beautiful scenery and stunning wildlife the area is famed for.

The village is also famous for being home to the award-winning Potters Resort, the UK's only all inclusive holiday resort. The venue hosts the annual World Indoor Bowls Championships, which sees the very best players from around the world descend on the village every January.

Of course, no seaside location would be complete without the sound of the amusement arcades or the smell of freshly cooked fish & chips. Thankfully both are available for you to enjoy, amongst the many local amenities found in the village.

Great Yarmouth Wheel

Great Yarmouth Beach

Positioned in between the towns of Great Yarmouth and Lowestoft, you'll find yourself in a prime spot for making the most of what the east coast of England has to offer.

To the north, Great Yarmouth is a traditional seaside resort with lots to enjoy year-round. From the entertainment available on the two piers, to the attractions found along the 'Golden mile', you'll never be short of things to do. The town is also great for a spot of shopping or grabbing a bite to eat, thanks to the pedestrianised shopping areas and a selection of superb eateries for you to choose from.

Head south to Lowestoft and you'll find yourself in the most easterly town in the country, featuring a glorious flat beach with a beach hut-lined promenade as a backdrop. In and around town you'll find plenty of places to visit including a wildlife park, an award-winning theme park and an array of museums. Lowestoft is also one of the leading places in the UK for renewable energy, with the imposing Gulliver wind turbine at Ness Point being the largest in the UK.

Of course, with both the tranquility of the Norfolk Broads and the bright lights of Norwich City Centre within reach too, Bowler's Green really is in a location to admire and surroundings to enjoy.

HOW TO PURCHASE

Buying a new Lovell home couldn't be easier. Follow our guide and you'll be home in no time!

REGISTER

Register your interest with Lovell and we will put you in touch with an Independent Financial Advisor for free advice. You can seek your own advice but you will also need to be qualified by Lovell.

CHOOSE AND RESERVE

Secure your new home with a reservation fee which goes towards the total purchase price. It's then reserved in your name while the legal processes are completed.

KEEPING THINGS MOVING

Pass our Sales Executive your solicitor's details so that we can send on the contract documents. Arrange your mortgage if you need one. You can do this yourself or we can put you in touch with an Independent Financial Advisor to help.

EXCHANGING CONTRACTS

Once you've had your formal mortgage offer, your solicitor will inform you when it's time to exchange contracts. You will now pay your deposit, which will be sent to us with your signed contract.

NEARLY THERE

Under the terms of the contract we need to allow time for financial completion. Once this has happened, we will ask your solicitor to request funds and pay the balance of the purchase price. The deeds are transferred into your name and you now own your new Lovell home!

MOVING IN

We will arrange for your meters to be read on the day of legal completion. Our Sales Executive will hand you the keys and a handover certificate.
