HOW TO PURCHASE

Buying a new Lovell home couldn't be easier. Follow our guide and you'll be home in no time!

REGISTER

Register your interest with Lovell and we will put you in touch with our Independent Financial Advisor for free advice. You can seek your own advice but you will also need to be qualified by Lovell.

CHOOSE AND RESERVE

Secure your new home with a reservation fee which goes towards the total purchase price. It's then reserved in your name while the legal processes are completed.

KEEPING THINGS MOVING

Following reservation, we will send on the contract documents to your solicitor. Arrange your mortgage if you need one. You can do this yourself or we can put you in touch with an Independent Financial Advisor to help.

EXCHANGING CONTRACTS

Once you've had your formal mortgage offer, your solicitor will inform you when it's time to exchange contracts. You will now pay your deposit, which will be sent to us with your signed contract.

NEARLY THERE

Under the terms of the contract we need to allow time for financial completion. Once this has happened, we will ask your solicitor to request funds and pay the balance of the purchase price. The deeds are transferred into your name and you now own your new Lovell home!

MOVING IN

We will arrange for your meters to be read on the day of legal completion. Our Sales Executive will hand you the keys and a handover certificate.
